2005 YEARLINGS

The 2005 yearling crop might be the most diversified offering to date featuring yearlings by a variety of stallions highlighted by the first crop of 2002 horse of the year Real Desire. Certainly the showcase Real Desire colt will be Modern Desire the half brother to the celebrated Modern Art from Wendy M Hanover.. Other featured yearlings will be Dimattgio a Western Ideal colt from Mattaroni, Vulcanize a Muscles Yankee filly from My Starchip and Echological the first Muscles Yankee colt from the well remembered Echo Hanover... We will provide further highlights about these yearlings as they come available
